# PVS Gap Analysis

- ▶ Define the national priorities and objectives
- ▶ Identify a strategy for each of the 5 OIE PVS Gap Analysis pillars (Trade; Veterinary Public Health; Animal Health; Laboratories; Management and Regulatory Services)
- ▶ Determine the desired level of compliance for each of the OIE Critical Competencies within each of the 5 pillars
- ▶ Define the activities to be implemented over the next 5 years to reach the desired level of compliance for each of the OIE Critical Competencies
- ▶ Estimate the cost of the corresponding human, physical and financial resources required to implement the identified activities

# Using the PVS Gap Analysis

- ▶ **In country discussions** with the relevant Minister, other Ministries, Ministry of Finance, Prime Minister, Head of State, National Parliament, depending on the context of the country
- ▶ **Round tables**, in the country, with Donor Agencies and International Organisations, incl. FAO
- ▶ **Preparation of the country Veterinary Services estimated budget**
- ▶ **Preparation of national or international investments**
