# EU regionalization for ASF

## EU ASF regionalization

- When necessary: by European Commission
- Bigger areas can be restricted (e.g. based on administrative / geographical borders)
- Low risk commodities may be traded under certain additional health conditions (risk mitigation)
- Enhanced surveillance inside and outside the infected region (e.g. serological tests)

## Basic baseline

Outbreak of ASF in domestic pigs

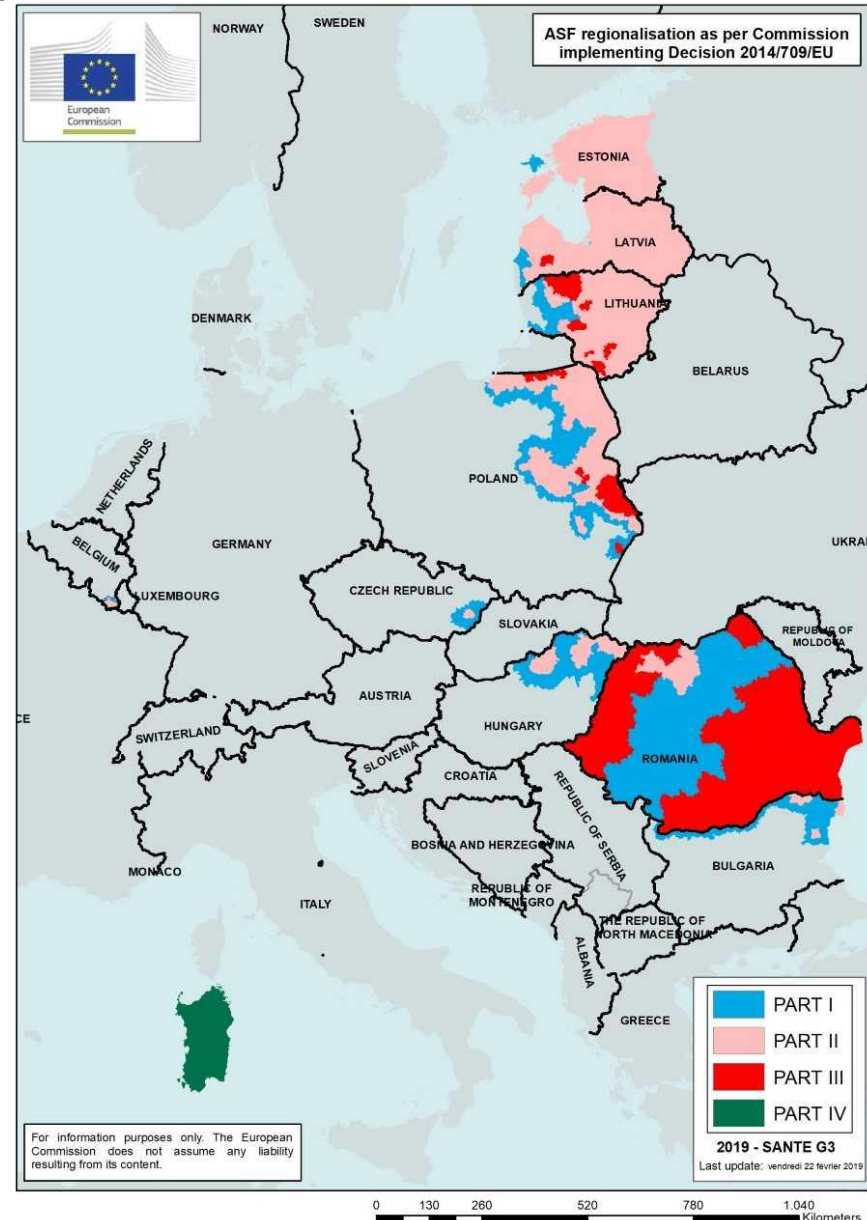

European  
Commission

# EU ASF regionalisation measures

Based on Decision 2014/709/EU

- Clearly defined roles for Member States and Commission
- Rapid flow of information
- Urgent adoption of emergency measures
- Agreed with Member States
- Immediately applicable
- Decisions published in the Official Journal of the European Union in 23 languages

**Thank you!**
